The fifth grade teachers are excited to continue to implement our 1:1 program giving all 5th grade students access to a Chromebook at school. Our 1:1 program is in place due to a grant the fifth grade teachers wrote in 2015. However, if you would like to bring your own device for the 2017-2018 school year, you may. We wanted to let you know as soon as possible in case you have been considering investing in a device with internet capability.
